197. Planning Applications

09/03567/FUL: 16 Wheatsheaf Lane - First floor extension

No objections

09/03582/LBC: Cuckfield Dental Practice 3 High Street

To erect a projecting wooden sign, hung from a wrought iron bracket, on the front of the building

No objections but the Committee would have preferred a more traditional design for the bracket.

198. Any Other Business

Information had been received informally (and via the Mid Sussex Times) regarding proposals for a waste site by the Sewage Works off the Cuckfield by-pass. No prior information had been received from the County Council but the Waste Plan was now out for public consultation until the end of January. It was agreed that, if possible, a joint response be prepared with the District Council. It was also noted that a deposition from the landowner regarding the footpaths in this area had also been received from the County Council. The accuracy would be checked by the Council. The matter would be considered fully at the next meeting.
