Size A1 - two legs - £925 each  
Size A2 - one leg - £755 each  
Size A3 – one leg - £525 each

### **Artwork:**

The above prices are using your supplied artwork. If you prefer we can design the artwork for you using our vast database of images, hand drawn illustrations and professional wildlife photographs. We can match any branding you have and add your logo, website links and QR codes to the design. This includes the re-touch of any supplied images to make them suitable for print. The design cost is £300 per bespoke design, if all the designs follow a common theme then the costs can be reduced for subsequent designs.

### **Bespoke map creation:**

We can create a bespoke map using your reference material.

The cost depending on style and detail required, our typical maps cost £195 - £295 in addition to the above artwork. If you are interested in a price please send me some reference material i.e Google Earth screenshot of the area along with any other information such as walkways, points of interest etc.

### **Sign panel material:**

Our sign panels are made from 3mm thick solid aluminium which has anti-vandal/graffiti properties. They are fully weather resistant and come with a 10 year guarantee against UV fading. The aluminium is also recyclable once its use as a sign has ended.

Please find attached our technical data sheet that explains this material in more detail.

Delivery costs depending on quantity and location.

Plus VAT @ 20%

Lead time to create the artwork 1 - 3 weeks

Lead time for production 4 - 6 weeks.

If you require any further information please do not hesitate to contact me.

Kind regards
