

Assets, Community & Environment Committee Meeting

Date: 19th October 2023

Agenda Item: ACE021i - To consider the updated quote for repairs to the Skate Park

During the recent safety inspection of the concrete skate bowl at Whitemans Green, the following items were identified as requiring remedial action:

P1 – Cut and break out two areas of concrete (approx. 300mmx100mmx150mm) and replace with site mixed concrete, hand finish and seal.

@ £1,650

P2 – Carefully grind a radius edge and treat with cold galv.

@ £350

P3 – Weld steel RSA sections, carefully grind a radius edge and treat with cold galv.

@ £350

P5 – Weld steel RSA sections, carefully grind a radius edge and treat with cold galv.

@ £350
