**Subject:** CHS Staplefield Road Cuckfield - New 600m footway

Dear Cuckfield Parish Council,

I want to bring to your attention to a local interest query I received to construct a new footway on the B2114 Staplefield Road between D163 Deaks Lane and Public Rights of Way path (number 49CR) outside 'North Lodge'.

Despite the above mentioned interest dating back in February 2022, I have not received an official Community Highway Scheme (CHS) application with written support from Parish, District or County councillors.

I would appreciate if you could study this location to confirm evidence that this has wider community benefits and community support. I also need to confirm the exact nature and extent of the request, so I am happy to meet you on site to discuss further.

I have taken the opportunity to include some useful links to help gain written support for your CHS application.
