Dear Samantha -

Please be assured we are extremely grateful that Cuckfield Parish Council would like to support FSW in a different way.

We receive family grant requests from our practitioner throughout the year for items like washing machines, fridges, uniform costs, beds, baby items and fuel support. This can range from a small request of £20 - £400 per grant request and over the year in the region of £2,000. A contribution towards these costs would be amazing. We would be able to provide you with a list of the requests made and the family background (anonymous off course) so you can clearly see how your support has helped families from Cuckfield.

I do hope the board considers this request favourably and I look forward to hearing from you

Best wishes  
Gemma Canon-Arthurs

Dear Gemma

I am sorry you feel so disappointed at the offer to include these families within our hamper scheme, I certainly do understand how difficult life is and will further become in the current times.

You suggest we set up a fund, do you have an idea of what level of funding would be required for the items you suggest?
