Dear Parish or Town Councillor,

Please see below some information on our current High Weald AONB Management Plan consultation; we'd be very grateful if you could share the survey link and accompanying information with your residents, please, as we would appreciate their feedback.

We have also just published our Biennial Review, covering the financial years 2020-21 and 2020-21. The report sets out our activities and achievements over this time period, including how we dealt with the challenges posed by the Covid-19 pandemic. [The report can be downloaded here](#) so again please feel free to share as you see fit.

Many thanks,  
Emma White

## *Have your say on the future of the High Weald AONB*

We are currently seeking feedback as part of our work towards the next High Weald AONB Management Plan, which is due to be published in 2024.

A draft version of the next Plan will be available for formal public consultation in late Spring 2023.

In the meantime, we are keen to gather early feedback on some of the new topics we are hoping to include in the next Plan. Your comments are important; they can help us shape the next Management Plan and how the High Weald AONB is managed for the next 5 years.

Please find a link below to a quick survey on the proposed new content – you do not have to be familiar with the current Management Plan to take part in this survey, however you can access the current High Weald AONB Management Plan here if you wish. The survey is open until the end of November 2022.
