

Website design proposal

Visit Cuckfield

www.visitcuckfield.co.uk

Create an eye catching and dynamic homepage to provide a one-stop user experience for visitors to Cuckfield. From history and heritage to family friendly tips on local playgrounds and baby change facilities this website will be an asset to local businesses, visitors and residents.

- Wordpress based website
- Divi Theme with easy interface for updating
- Simple navigation from images on the homepage to dedicated post or page
- Calendar of events
- Sponsorship opportunities for local businesses
- Links to local schools and clubs
- Option for mailing list creation (Mailchimp)

User friendly static pages with hyperlinks apart from 'Major Events' and 'Calendar' which will need to be periodically updated. Option for monthly or quarterly update service, or client led updates.
