Subject: RE: Buttinghill Site - Handover Date?

Hi Sam,

I have now been able to make contact with Taylor Wimpey and they are progressing the Deed of Variation change the S.106 agreement relating to the original planning permission. This should just be a procedural matter so we should then hopefully be in a position to approve the S.73 planning application to regularise the pond and new landscaping scheme. We can then move onto addressing the land transfer and obviously we will involve the Parish Council in these discussions.

I hope the above assists and I will let you know when we're in a position to issue the new planning permission.

Kind regards

Subject: Buttinghill Site - Handover Date?

Afternoon Andrew

Please can you provide me with the latest status regarding the site at Buttinghill? What is happening with regards to outstanding items for TW to address?

It has been at least 18 months since this site was due to be handed over to the Parish Council, we are very keen to have this matter resolved as a matter of urgency.

Kind regards
